# MEET THE STARS BEHIND THE CARS

## Charlie Dixon

Aussie Rules player Charlie Dixon has a passion for performance cars. Known for his big personality, he shares his automotive projects and love for motorsport, custom mods, and fast cars.

## Troy Candy

Troy Candy is known for his custom street cars and motorsport passion. His builds combine performance and design, and he shares his journey with fans through energetic content.

# MEET THE STARS BEHIND THE CARS

## Adrian Portelli

Adrian Portelli is a key figure in the Australian car scene. Through Out There Productions, he brings automotive culture to life with media projects and events, connecting car enthusiasts worldwide.

## Andrew Hawkins

Andrew Hawkins leads Motive Video, known for high-energy, no-nonsense automotive content. His passion for performance cars and authentic style has earned him a loyal following, delivering the latest car news with excitement and humour.

# MEET THE STARS BEHIND THE CARS

## Jose - Smokey Bakery

Jose (@smokeybakery\_jose) is an American drifter and popular social media influencer with a love for all things automotive. One thing Jose enjoys even more than going sideways is shredding tyres—something he proved at Summernats by taking his drift car onto the pad and making sure the crowd wasn't left disappointed!

## Hackshop Garage

Hackshop Garage, founded in 2019 by Nathan and Michael in Melton, Victoria, focuses on unique car builds and entertaining content. Their YouTube channel and 'The Factory' spot keep fans updated on their projects and events.

# MEET THE STARS BEHIND THE CARS

## Scotty Taylor

The highly loved host of Street Machine YouTube series, Carnage! Scotty has also been the long-term brains trust behind the iconic Street Machine Drag Challenge series!

## Howard Astill

Howard Astill is known for his custom car builds and hands-on approach. With years of experience, he blends performance with design and is dedicated to advancing the craft in the automotive industry.

# THE JOURNEY BEGINS HERE

Step into the All-New WORLDS experience at MotorEx #23, where you'll immerse yourself in a dynamic journey through the diverse realms of automotive culture with each zone offering a deep dive into different car worlds. Explore the power of Street Machine Custom World, the ambitious Car Builders 4X4 World, the innovation of Mobil 1 Performance World, and the global diversity of Exotics, JDM, Euro and more! This is your chance to explore a truly unique celebration of global car culture.

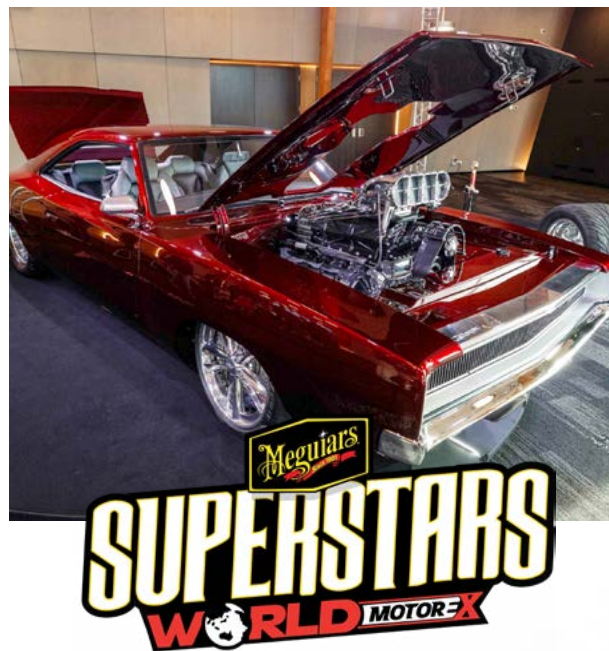

## MEGUIAR'S SUPERSTARS WORLD

Meguiar's Superstars World is the pinnacle of custom car excellence.

Australia's top street machines and custom builds go head-to-head in a battle of craftsmanship and innovation.

These show-stopping cars have dominated the nations biggest events – now they face off for Meguiar's Grand Master!

## STREET MACHINE CUSTOM WORLD

Street Machine Custom World is the beating heart of Australia's modified car culture.

From the show-stopping Street Elite to the raw power of iconic Aussie and American Muscle, and the creativity of Wrap Stars – where vinyl wraps transform rides into moving works of art – this is where craftsmanship and innovation shine.

A must-see showcase of Australia's finest custom builds.

## E-SPORTS WORLD

E-Sports World at MotorEx #23 brings virtual racing to the big stage.

Watch Australia's top sim drivers battle for the MOZA Racing Victorian Esports Championship title in high-speed competition.

Think you've got what it takes? Jump in, challenge your mates, and set the fastest lap. Whether you're a pro or a beginner, it's a showdown you won't want to miss!

## CAR BUILDERS 4X4 WORLD

Car Builders 4x4 World is the ultimate showcase for off-road machines.

From hardcore trail conquerors to weekend-ready rigs, this massive display is packed with top-tier engineering and performance.

Get up close with modified fourbies built for any challenge and explore the power, innovation, and customisation that set them apart.

Whether you're into rugged adventures or weekend trail rides, it's all here!

## MOBIL 1 PERFORMANCE WORLD

Mobil 1 Performance World is where cutting-edge tech meets high-performance power.

Explore the latest in tuning, performance parts, and automotive innovation, with top vendors showcasing gear that pushes machines to their limits.

Connect with industry experts, discover next-gen solutions, and fuel your passion for speed – PLUS grab this year's OFFICIAL MotorEx Merch, while it lasts!

## RARE SPARES CAR CLUB WORLD

Rare Spares Car Club World brings Melbourne's car community together in one epic showcase.

From muscle cars and custom classics to high-tech tuners and low riders, it's a celebration of automotive passion and diversity.

Whether you're in a club or just love cars, this is the place to be.

## DYNO WORLD

Dyno World at MotorEX #23 is where Australia's toughest street and race cars battle for horsepower supremacy.

Watch on as high-revving turbo machines and supercharged V8s push their limits on the rollers in an unfiltered test of performance.

## DRIFT WORLD

Drift World at MotorEx #23 is all about high-speed precision and skill. Watch expert drivers slide through smoke-filled corners, or jump in for a passenger ride experience putting you in the heart of the drifting action.

The Hot Wheels Stunt Team – presented by Nulon, is set to bring even more action with 3 epic stunt shows on both Saturday and Sunday!

Whether you're a motorsport fan or just love an action-packed show, Drift World is a must-see event.

## REAL STREET WORLD

Welcome to Real Street on AeroFlow BangShift Boulevard at MotorEx!

Here, you'll see modified muscle cars, custom classics, high-tech tuners, and stunning low riders – all driven to the show to prove their street-worthy status.

Any battle scars on their paint or alloys are earned from real-world driving. These cars are built to perform, so take a stroll and experience the heart of street car culture!

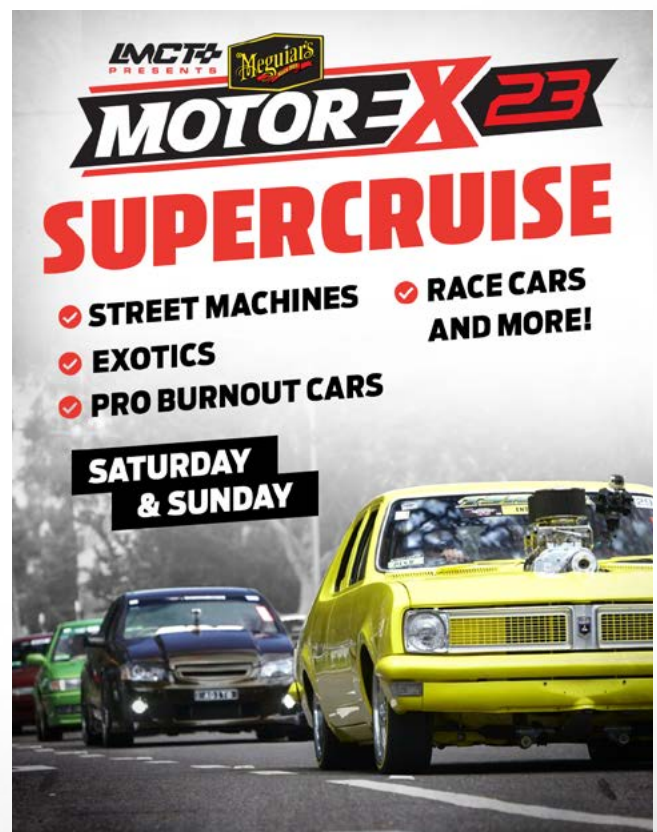

## MOTOREX SUPERCruise

New for 2025 – introducing the MotorEx Supercruise, rolling out across both Saturday and Sunday at MotorEx #23!

This all-new feature sees an epic line-up of tuff street machines, elite custom builds, Pro Burnout weapons and more cruising from Drift World to the LMCT+ Stage in a moving display of automotive brilliance.

From rumbling V8s to jaw-dropping show cars, the Supercruise brings the action to the Melbourne Showgrounds, giving spectators a rare chance to see these incredible cars in motion. It's loud, it's bold, and it's guaranteed to turn heads.

## LMCT+ PARTY

Get ready for an all-new night-time sensation at MotorEx #23 – the LMCT+ Party! From 5-7PM, the fun dials up with the LMCT+ Games and a \$50,000 cash giveaway.

There's a live car show with Australia's best supercars and unique builds! All highlighted by live performances from Melbourne hottest DJ sensation - CYRIL!

## PORTELLI WORLD

Portelli World will be the ultimate destination for car all car enthusiasts at MotorEx #23! Headlined by Adrian Portelli, this all-new world features his insane personal collection, including multi-million dollar hypercars, rare JDMs, elite custom muscle build, race cars, and more.

This is your one and only chance to see these builds up close! With a live DJ and the Gee-Up Bar bringing the cold bevs, this world is set to be a crowd favourite!

# GETTING HERE AND GETTING IN

## TRAIN

Direct trains to Melbourne Showgrounds (Platform 1) will leave every 30 minutes from 10:45AM  
Departs from Southern Cross (Platform 8)  
Stops at North Melbourne (Platform 2)

### Return trips

Before 2:30pm – Express to Southern Cross  
After 2:30pm – Stops at North Melbourne

### Final Departure times

Saturday - Final train departs Showgrounds at 7:15pm  
Sunday - Final train departs Showgrounds at 4:15pm

## TRAM

Route 57 tram (West Maribyrnong to Elizabeth Street, City), stops at stop 32 (Showgrounds Village Shopping Centre on Epsom Road). Please note that the previously serviced stop 33 is no longer in use. Please listen to onboard announcements or check with your tram driver.

## BUS

Bus No. 472 (Williamstown to Moonee Ponds) stops along Langs Road.  
Bus No. 404 (Footscray to Moonee Ponds) stops on the corner of Epsom and Ascot Vale Roads.

---

If arriving by public transport spectators can walk to Gate 1 on Epsom Road for entry to the event

---

## PARKING

Spectator parking will be located at Flemington Race Course north car park. This car park is accessible via Flemington Drive, which can only be entered by turning left off Epsom Road. We strongly advise you to avoid Langs Road when heading to the event.

Spectator parking will be operated independently by Melbourne Royal with a \$30 daily fee per vehicle. It will be a short walk to Gate 8 for entry to the event. MotorEx event gates open at 11am and will close at 7PM Saturday and 4PM Sunday.

## TICKETS

### PRE-PURCHASE TICKETS ONLINE AND SAVE!

Please make sure you have your pre-purchased ticket ready for scanning at the gate. If you have not purchased a ticket, these can be purchased at the gate (if not sold out prior), but be aware you will be charged a gate fee. So best to save some coin and buy online!

Your bags will be searched at the gate entry so please pack light and remember there is strictly no alcohol allowed into the venue.

You can purchase tickets online anytime **HERE**  
or via [motorex.com.au](http://motorex.com.au)

## ACCESSIBILITY

### OPEN FOR EVERYONE

Melbourne Showgrounds is a fully accessible venue providing inclusive access for people with accessibility requirements to buildings and facilities, equipment, information and trained staff, addressing the needs of all patrons of the venue.

Accessible parking available via Gate 5 on Langs Road.

# HOW GOOD IS MELBOURNE!

Whether it's a sporting Grand Final, live music or the opening of a hip, new cafe, Melbournians love any excuse for an event! For this reason - and because the Melbourne Showgrounds are a stunning and versatile venue that gives us plenty of room to continue to expand - that's where you'll find us for MotorEx #23 on Saturday 3 - Sunday 4, May 2025.

A short stroll from the city with countless accommodation options and more tourist activities than you're likely to get through over the MotorEx weekend, our beautiful host city is well worth exploring once you've had your fill of automotive art.

## OUR SPONSORS

Since 1901 Meguiar's has earned the trust of millions of consumers and professional detailers by producing the finest surface and car care products in the world.

Throughout its 120-plus year history, the primary goal for Meguiar's has never strayed: offer exceptional products for every vehicle surface. This includes paintwork, exterior plastics, glass, wheels, tyres, and the many different interior finishes. Excellence through innovation is the cornerstone of Meguiar's ability to offer the world's best car care products to our 'passionate fans'. But don't just take our word for it; ask someone who uses Meguiar's and see what they think.

Street Machine is the country's biggest selling and most respected modified car magazine. Combining great photography with accurate, expert coverage of the Aussie modified car scene and in-depth technical features, Street Machine celebrates Australia's passion for older cars, V8s and the lifestyle that surrounds them.

With over 1500+ businesses and discounts Australia Wide and memberships starting from \$19.99 per month, LMCT+ is Australia's number one Shopping Tool And Rewards Club. Additionally, LMCT+ pride themselves on securing exclusive partnerships that provide unique discounts specifically for LMCT+ members, a benefit not commonly found with typical affiliate programs.

Mobil 1 pioneered full synthetic motor oil back in 1974 and remains the world's leading synthetic motor oil brand and is proud to sponsor Mobil1 Performance World at Meguiar's MotorEx. Experience counts when it comes to leading the way in synthetic lubricant technology. A great example of Mobil's pioneering innovation is the revolutionary new engine oil they developed in conjunction with Honda for Red Bull F1. It enabled the engine to reliably deliver the power needed to win multiple World Championships.

## OUR SPONSORS

We manufacture replacement parts under the Rare Spares brand for an incredible range of both new and older model cars, which predominantly include Holden, Ford and Valiant. We are also the manufacturer and distributor of the only GM-Holden endorsed range of restoration parts in the Australian aftermarket.

We also supply parts for other makes including Toyota, Mitsubishi, Nissan, Datsun, Mercedes Benz, Jaguar and Mini. These parts are available through an extensive network of Distributers and Stockists throughout Australia, New Zealand and South Africa. The huge range of restoration parts and accessories includes; weather seals, rubber kits, rust repair panels, badges, interior components, decals, lamps, lenses, door belts, ute and boot mats, clips and fasteners, hose, glass, pedal pads, lock sets, and much more.

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Ut enim ad minim veniam, quis nostrud exercitation ullamco laboris nisi ut aliquip ex ea commodo consequat.

Since 2010, AeroFlow Performance Products has grown to design and manufacture close to 11000 exceptional quality products. Fittings and hoses, fuel system components, air and oil filters, oil systems, silicone hoses, fabricated tanks, alternators, workshop tools and much more. We as a company have tried to lead the way for the Performance enthusiast.

We have a comprehensive product range for the Global Market for Hot Rods, Drag Racing, Speedway, Street Machines, JDM , Sport Compact Racing, Road Racing, Rallying, Tractor Pulling, Off-Road Racing, Motorcycles and Marine markets.

Haltech is a leader in automotive engine management systems, known for providing advanced, high-performance ECU solutions. With cutting-edge technology and a reputation for reliability, Haltech's products are trusted by racing teams, performance enthusiasts, and OEMs worldwide to deliver precision control and superior tuning capabilities for a wide variety of vehicles.
